

**IMPORTER & EXPORTER OF RECORD
(IOR/EOR) AND COMPLIANCE
SOLUTIONS IN SAUDI ARABIA**

A large, semi-transparent image of a port terminal filled with shipping containers in various colors like blue, red, and white, serves as the background for the entire slide.

Your Reliable Partner for Seamless Imports & Exports

About Us

We are a trusted logistics company based in Saudi Arabia, offering complete Importer of Record (IOR) and Exporter of Record (EOR) services. Our team ensures smooth, compliant, and efficient import and export operations for clients who do not have a registered entity in the Kingdom.

Our Services

Importer of Record (IOR)

- ② Act as the legal importer for goods consigned to Saudi Arabia under the client's instruction.
- ② Handle all import documentation, regulatory approvals, and customs clearance.
- ② Ensure compliance with Saudi Customs, ZATCA, SABER, and other relevant authorities.
- ② Coordinate duty payments and delivery of goods within KSA.
- ② Maintain complete import transaction records as required by Saudi law.

Exporter of Record (EOR)

- ② Act as the legal exporter for goods shipped from Saudi Arabia under the client's instruction.
- ② Manage all export documentation and approvals.
- ② Ensure compliance with export regulations and customs procedures.
- ② Maintain detailed export transaction records as per Saudi requirements.

Who Needs This Service

- ② International corporations without a registered entity in Saudi Arabia.
- ② Manufacturers and suppliers of IT, telecom, medical, or industrial equipment.
- ② Global distributors and trading companies delivering goods to Saudi clients.
- ② Project cargo operators requiring specialized handling for machinery or heavy equipment.
- ② Freight forwarders and logistics partners needing local IOR/EOR compliance support.
- ② Overseas agents who handle DDP / DDU services.

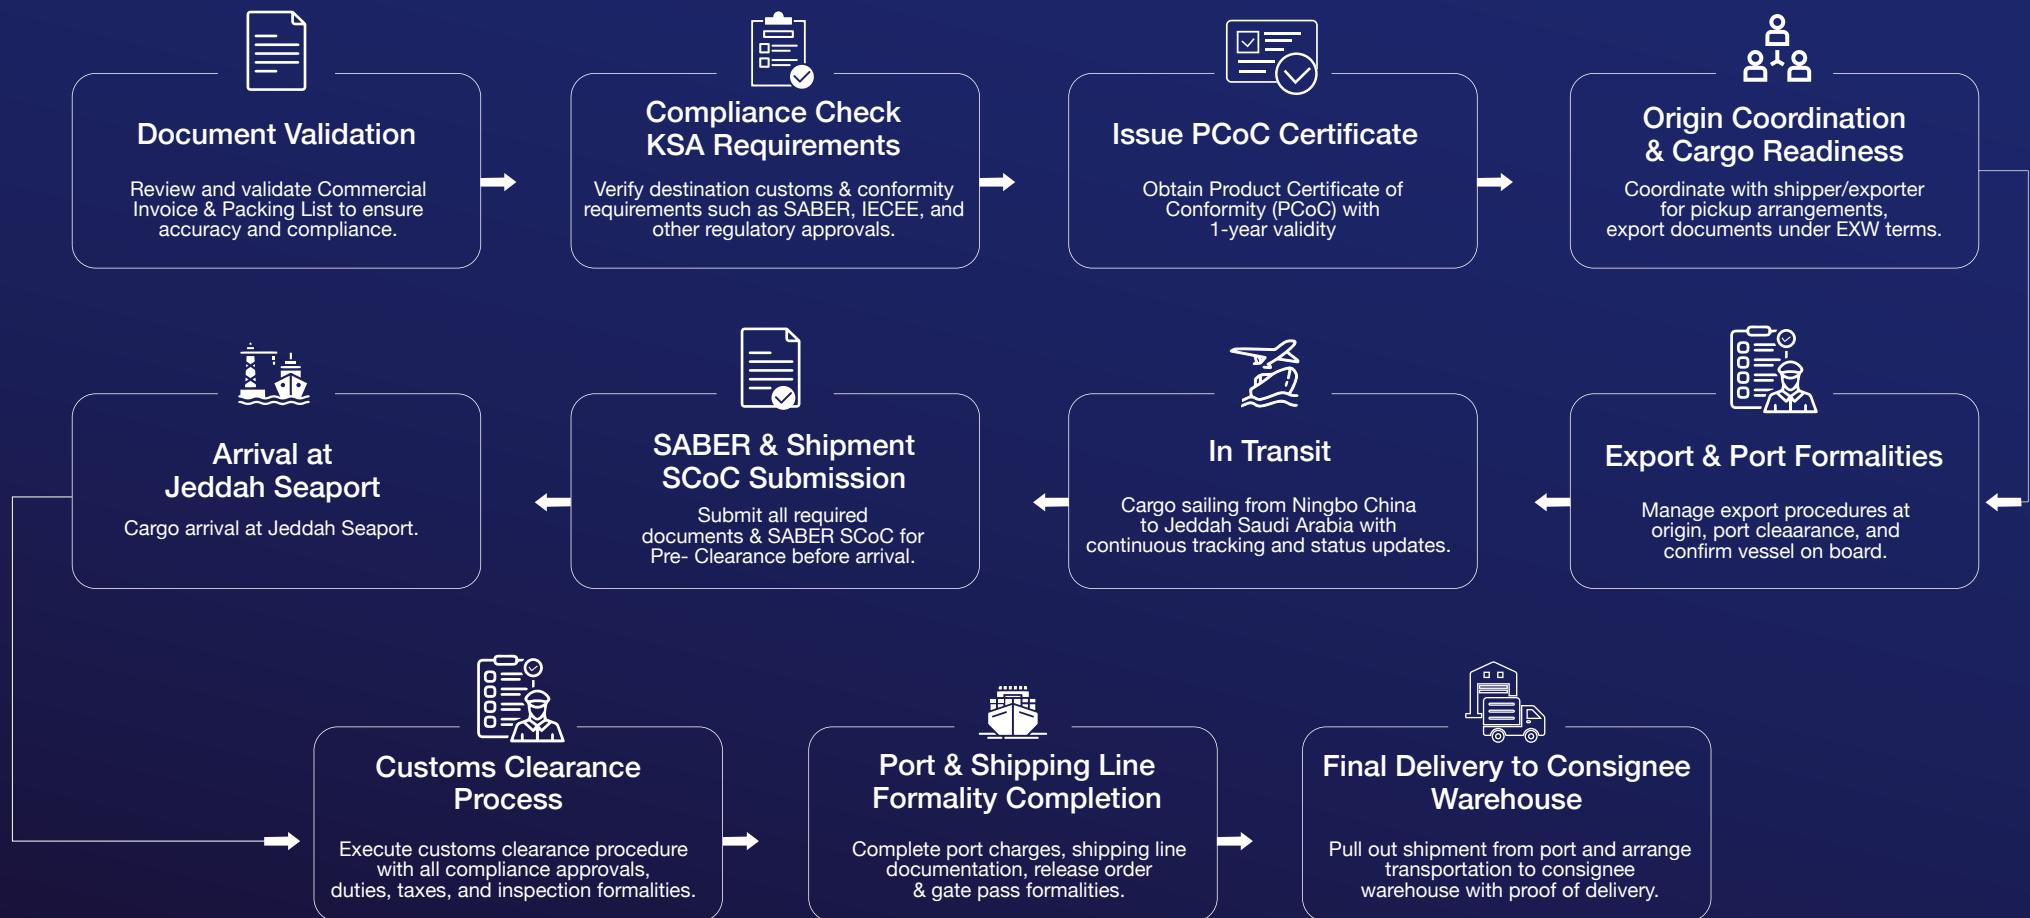

Why Choose Us

- ② End-to-End Solutions : Complete Air, Sea, and Land logistics services.
- ② Wide Network : Strong coverage across all major Saudi ports.
- ② Regulatory Expertise : Full compliance with customs and government authorities.
- ② On-Time Delivery : Proven reliability and efficient operations.
- ② Special Cargo Handling : Skilled in IT, Industrial, and Project shipments.
- ② 24/7 Support : Dedicated customer service with real-time shipment updates.
- ② Fast and efficient clearance at all major ports (Dammam, Riyadh, Jeddah).

IOR Service Process Flow

E.g., (EXW – Ningbo, China → Jeddah, KSA)

*We strive for a long
term association
Your growth is the
